**Make new connections in your target group.
Meet representatives of almost all porous
media research communities at
InterPore2022.**

We would like to invite interested companies, research institutions and universities to join us and become an essential part of InterPore2022. Our sponsors and exhibitors allow us to keep student registration fees low and provide an opportunity for all attendees to learn about new research, products, and technologies. As a sponsor and/or exhibitor of InterPore2022, you will enjoy many benefits:

- **name recognition** of your institution to the entire porous media research community
- **recruitment opportunities** as commonly about 50% of participants are PhD students or post-doctoral researchers
- the possibility of **linking with experts** who are dealing with research and technical questions of potential interest to your company,
- **maximum exposure** to this targeted audience of **key international industry leaders and decision-makers** from porous media science and technology around the world
- **free conference registration**

InterPore2022 will feature the first hybrid meeting of the International Society for Porous Media. Bringing together the best of both worlds, the 2022 meeting will provide face-to-face interaction for those who desire the networking and connection opportunities offered by in-person meetings, while also allowing those who cannot join the physical meeting to participate online.

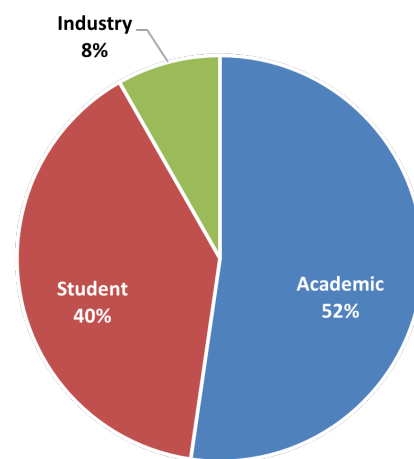

In addition to the traditional sponsorship and exhibition opportunities of a physical meeting, the hybrid structure also allows various promotional activities in the virtual realm. The streamlined and seamless online interface will ensure ease of use for our online participants while also providing important details and information to our in-person participants, providing multiple opportunities to showcase your brand to our attendees from around the globe.

Based on the positive responses we have received from our first and second online conferences, coupled with the demand for a return to in-person meetings, we anticipate further growth in attendance at InterPore2022. We expect more than 1000 abstracts will be submitted to our 24 minisymposia, spanning 4 days of live interactive sessions joined by participants both in Abu Dhabi and online. Our conference participants are very diverse in their field of research and include: experimentalists, numerical modelers, users of complex porous media software, mathematicians and practitioners from academia and porous media industries (oil and gas, food, liquid absorbents, paper, filters, biological systems, soil, groundwater, fuel cells, textiles, etc.) Recorded material will be available for viewing during and after the conference, continually bringing attention to your brand and maximizing your return on investment. **Institutional members of InterPore** will get significant reductions on exhibitor and sponsorship fees.

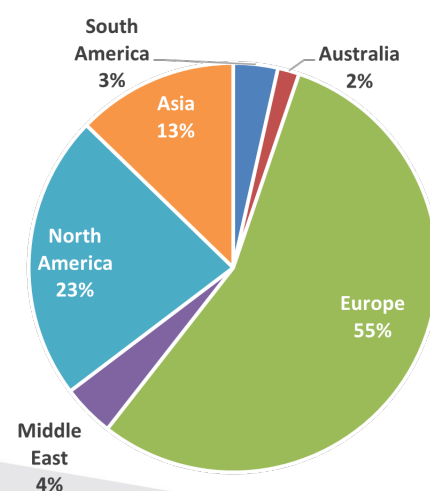

Please contact us at conference2022@interpore.org with any questions you may have.

We look forward to welcoming you among our Sponsors and Exhibitors!

Exhibition Opportunities

What's included?

- **Exhibition booth(s)**

Hybrid exhibitors will be provided a booth at the physical event (see Physical Exhibition Details for more information). In addition, all exhibitors will receive a virtual exhibition booth through Whova, our online conference platform. Whova allows exhibitors to add promotional videos, host live product demonstrations, draw traffic with coupons and promotions, distribute handouts and flyers, create virtual meet-ups and interact with attendees directly from your virtual booth.

- **One free conference registration**

Each exhibitor will receive one free registration (corresponding to their exhibition type). Registration includes full access to all scientific sessions and lectures, plus networking and social activities.

- **Recognition on the conference website**

Logo and four lines of description of all exhibitors will appear on the sponsors/exhibitors page of the conference site.

- **Recognition in the conference program**

10 lines of description will be published in the conference booklet which will be distributed to all participants.

- **Exhibitor showcase opportunities**

Exhibitors have the opportunity to present their products and services in a 5-minute pitch prior to an invited lecturer. The presentations will be broadcast live to all participants and recorded for later viewing.

- **Exhibitor spotlight**

Prior to the conference, an email featuring your organization will be sent directly to all participants through the conference platform.

- **Lead capture and attendee lists**

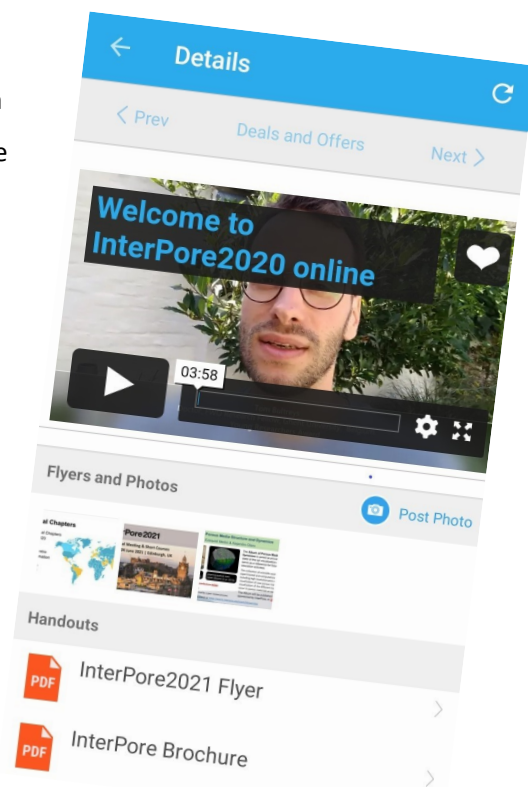

Hybrid exhibitors can easily capture on-site leads using the Whova app's QR code scanner. Exhibitors will receive the contact details of all participants who have given explicit data-sharing permission.

- **Over one-month of exposure**

Online conference exhibition booths and conference content will be made available prior to the start of the conference and will remain online afterwards, maximizing your exposure and return on investment.

- **Networking opportunities**

Dedicated exhibition time will be provided during the program, giving participants the chance to visit your booth - online and in-person. Schedule workshops and meetups directly at your booth, with push notifications sent from the conference organizers to all participants. Live-stream these workshops and meetups through the Whova app to simultaneously reach online and physical attendees. Message boards allow communication and connections with conference participants. In addition, there will be multiple networking and social events in which all participants may take part.

Hybrid Exhibitor Package Fees*:
€2300

Online-Only Exhibitor Package Fees*:
€800

**Institutional members of InterPore are eligible for a 15% reduction of the base rate.*

12. STAND REGULATIONS

Stands must be left in their original condition. Please do not paint them or stick paper to them, unless you use special double-sided tape which leaves no marks on the surface.

The exhibitor will be invoiced for any damage caused to the stand.

Exhibitors who wish to use their own shell structure should inform [Amy Spang](#). Structures should not exceed the allocated floor surface area nor the height of the standard shell (2.5 meters.)

No installations or decoration which could offend any or all of the exhibitors will be permitted.

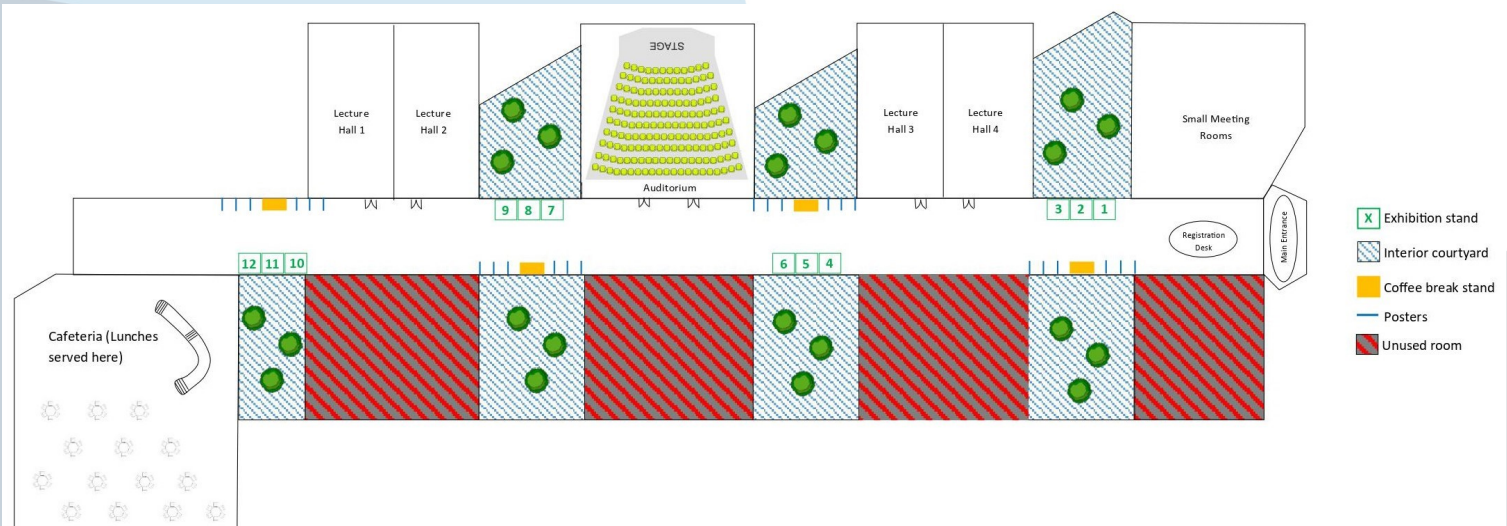

Loudspeakers and other similar devices are prohibited.

Pamphlets and samples may only be distributed within the stand itself.

Adhesive tape may only be used to mark the stand area or to fix carpets with permission from Khalifa University. A layer of masking tape underneath the adhesive tape will facilitate its removal after the event. Adhesive carpet tiles may not be used.

13. DAMAGES

Damage caused by exhibitors who disregard these regulations will be paid for by the exhibitor. Exhibitors are not permitted to fix any graphics, notices or material to any part of the venue or its walls. Exhibitors are responsible for any damage caused by their staff or contractors to the fabric of the building. Any damage caused will be charged to the exhibitor concerned. Exhibitors must ensure that they clear and remove all the rubbish, refuse and other materials not belonging to the venue from the premises so that they are completely clean and tidy during and at the end of the event. Any excess waste removal will be charged following the event.

14. EXHIBITOR RESPONSIBILITIES

All exhibiting organizations are responsible for their staff, their contractors and visitors on and around their stand from the first day of set-up through to the last day of breakdown. They must ensure that due thought and consideration is given to their own and other's health, safety and welfare throughout the Exhibition, and that their actions, or inactions, do not give rise to accidents, injuries or an unsafe working environment so far as is reasonably practicable.

15. SECURITY/INSURANCE

Whilst adequate security is provided at the venue, it is the Exhibitor's responsibility to ensure the safety of their belongings and are advised not to leave any valuable equipment or articles unattended at any time. It is also the Exhibitor's responsibility to ensure that their insurance extends to transport between the venue and the space occupied during the event. The organizers and venue landlords will not accept responsibility for the safety of Exhibitors goods at any time.

16. ACCOMODATIONS

Special rates for InterPore2022 attendees are available at the official conference hotels. For more information visit: interpore.org/2022.

17. MARKETING

In order to make InterPore2022 a great success, we ask all exhibitors to promote the event as much as they can. We can offer a 10% discount to any of your customers/clients if they wish to attend. Please email secretary@interpore.org for a booking discount code.

18. VISA AND TRAVEL DOCUMENT REQUIREMENTS

We are unable to facilitate the procurement of passport, visa, or other travel documentation. Please consult with your local government agency to ensure you have any required documents (including visas) necessary for travel. We recommend you do this as soon as possible as document processing times vary and can take an extended period of time to finalize. Please contact secretary@interpore.org if you need a visa letter in support of your application.
