InterPore2025

**Make new connections in your target group.
Meet representatives from almost all porous
media research communities at
InterPore2025.**

We would like to invite interested companies, research institutions and universities to join us and become an essential part of InterPore2025. Our sponsors and exhibitors allow us to keep student registration fees low and provide an opportunity for all attendees to learn about new research, products, and technologies. As a sponsor and/or exhibitor of InterPore2025, you will enjoy many benefits:

- **name recognition** of your organization to the entire porous media research community
- **recruitment opportunities** as commonly about 50% of participants are PhD students or post-doctoral researchers
- the possibility of **linking with experts** who are dealing with research and technical questions of potential interest to your company,
- **maximum exposure** to this targeted audience of **key international industry leaders and decision-makers** from porous media science and technology around the world
- **free conference registration**

The conference will be held at the landmark luxury **Hotel Albuquerque**, conveniently located in the heart of **Old Town** and the Sawmill District. In addition to serving as the conference venue, the hotel is the perfect base for exploring the historic Old Town, enjoying Southwestern cuisine, and engaging in the activities Albuquerque has to offer.

Albuquerque offers a unique blend of culture, history, and natural beauty, making it an ideal destination. With its vibrant arts scene, rich Native American heritage, and proximity to stunning landscapes like the Sandia Mountains, attendees can immerse themselves in diverse experiences.

Our conference participants are very diverse in their field of research and include: experimentalists, numerical modelers, users of complex porous media software, mathematicians and practitioners from academia and porous media industries (oil and gas, food, liquid absorbents, paper, filters, biological systems, soil, groundwater, fuel cells, textiles, etc.) Recorded material will be available for viewing during and after the conference, providing multiple opportunities to showcase your brand to our attendees from around the globe, maximizing your return on investment. **Institutional members of InterPore** will get significant reductions on exhibitor and sponsorship fees.

Please contact us at conference2025@interpore.org with any questions you may have.

We look forward to welcoming you among our Sponsors and Exhibitors!

Exhibition Opportunities

What's included?

- **Exhibition booth(s)**

Exhibitors will be provided a booth at the conference location at the Hotel Albuquerque. In addition, all exhibitors will receive a virtual exhibition booth through Whova, our online conference platform. Whova allows exhibitors to add promotional videos, host live product demonstrations, draw traffic with coupons and promotions, distribute handouts and flyers, create virtual meet-ups and interact with attendees directly from your virtual booth.

- **One free conference registration**

Each exhibitor will receive one free in-person registration. Registration includes full access to all scientific sessions and lectures, the welcome reception on Monday evening, lunch each day of the conference, plus networking and social activities.

- **Recognition on the conference website**

Logo and 100 words of description for all exhibitors will appear on the sponsors/exhibitors page of the conference site.

- **Recognition in the conference program**

Logo and 100 words of description will be published in the conference booklet which will be distributed to all participants.

- **Exhibitor showcase opportunities**

Exhibitors will also have the opportunity to publish a brief article about their products and services in an issue of the InterPore newsletter.

- **Exhibitor spotlight**

Prior to the conference, an email featuring your organization will be sent directly to all participants through the online conference platform.

- **Lead retrieval and attendee lists**

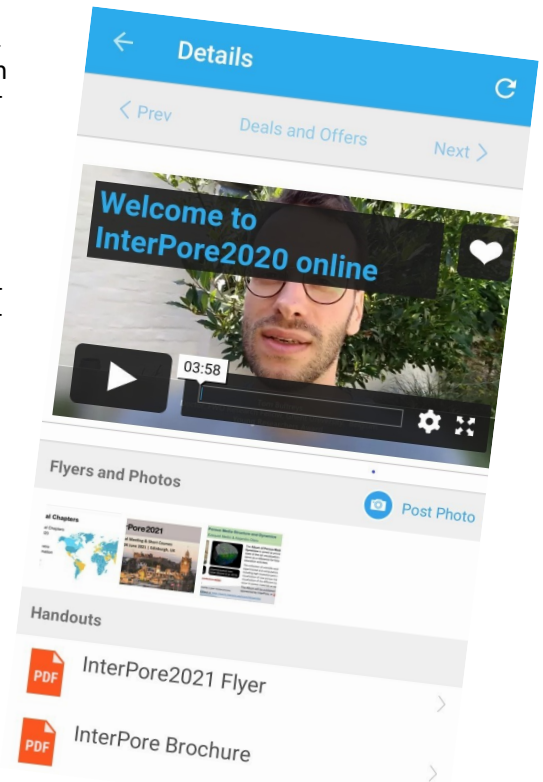

Leads can easily be captured using the Whova app's QR code scanner. Exhibitors will receive the contact details of all participants who have given explicit data-sharing permission.

- **Over one-month of exposure**

Online conference exhibition booths and conference content will be made available prior to the start of the conference and will remain online afterwards, maximizing your exposure and return on investment.

- **Networking opportunities**

Dedicated exhibition time will be provided during the program, giving participants the chance to visit your booth. Workshops and meetups can be scheduled with push notifications sent from the conference organizers to all participants. Live-stream these workshops and meetups through the Whova app to simultaneously reach online and physical attendees. Message boards allow communication and connections with conference participants. In addition, there will be multiple networking and social events in which all participants may take part.

**InterPore2025
Exhibitor Package Fee*:
