Experience InterPore2026 in the Dynamic City of Nantes

The conference will be held in **Nantes, France** — a vibrant city blending rich history, cutting-edge innovation, and cultural flair. Known for its creative arts scene, historic architecture, and beautiful riverfront, Nantes offers an inspiring backdrop for knowledge exchange and networking.

Attendees can enjoy exploring the city's unique museums, parks, and gastronomy, making the conference experience as enriching outside the sessions as it is inside.

Venue: La Cité des Congrès

For more than 30 years, La Cité des Congrès de Nantes has been one of the major conference centers in France. A place for hosting and producing professional and cultural events. It is the setting for the most beautiful national and international events and contributes to the influence, attractiveness and development of the Nantes region.

The Cité des Congrès is located in the city center of Nantes, a less than 10-minute walk from the train station.

Address:

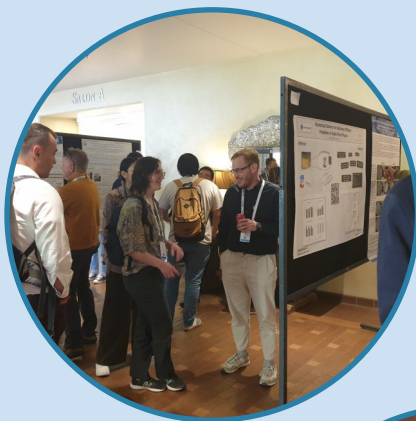

5 Rue de Valmy
44000 Nantes

Exhibition Opportunities

What's included?

• Exhibition Booth

Each exhibitor will have a prominently placed booth in the exhibition hall at *La Cité Nantes Congress Centre*, at the center of conference activity. The booth package includes:

- 2m x 3m shell structure and furniture (table and 2 chairs)
- Company name displayed on the booth lintel
- Booth lighting and electricity supply

A detailed floor plan will be shared as soon as it becomes available. Booths will be allocated on a first-come, first-served basis—early sign-up ensures the best placement.

Information on ordering additional services and supplies (e.g., furniture, internet, catering) will be provided in the Exhibitor Guide closer to the event.

Please note: An additional administrative fee of €76.16 (+VAT) will be charged to each exhibitor by La Cité Nantes Congress Centre.

• One Free Conference Registration

One complimentary full conference registration (includes access to all scientific sessions, networking events, daily lunch, the Welcome Reception, and the Gala Dinner)

• Lead Retrieval

- Collect leads instantly using Whova's QR scanner
- Access contact details of participants who opt in

• Promotional Visibility

- Your logo and a 100-word description featured on the conference website and in the printed program.
- Pre-conference "Exhibitor Spotlight" email sent to all attendees via Whova, the online conference platform.
- Opportunity to publish a short article in the *InterPore newsletter*.

• Networking Opportunities

- Dedicated exhibition hours built into the program
- Option to host meetups or workshops (in-person or via livestream)
- Push notifications and message boards facilitate attendee engagement
- Participation in conference social and networking events

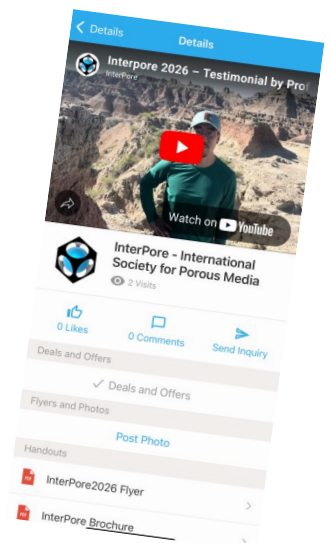

• Virtual Booth (included at no extra cost)

In addition to your physical booth, you will also receive a virtual booth to extend your reach before, during, and after the conference. Your virtual booth allows you to:

Connect Directly with Your Target Audience at InterPore2026

Join a vibrant community of porous media researchers, industry leaders, and innovators at InterPore2026. This is your chance to engage with representatives from nearly every sector of porous media science—academia, industry, and research institutions alike.

We warmly invite companies, universities, and research organizations to become key partners in InterPore2026. Our sponsors and exhibitors play a crucial role in keeping student registration affordable while enabling attendees to discover cutting-edge research, products, and technologies shaping the future of porous media.

As a sponsor or exhibitor, you will benefit from:

- **Brand visibility** across the entire porous media research landscape
- **Access to talent**, with roughly half of participants being PhD candidates and postdoctoral researchers looking for career opportunities
- **Meaningful connections** with experts tackling research and technical challenges relevant to your organization
- **Targeted exposure** to an international audience of industry leaders, decision-makers, and innovators
- **Complimentary conference registration**

Diverse Expertise, Broad Impact

InterPore2026 attracts an exceptional mix of experimentalists, numerical modelers, software users, mathematicians, and industry professionals from sectors including oil and gas, food, filtration, biological systems, groundwater, fuel cells, textiles, and more.

Tailored Partnership Options

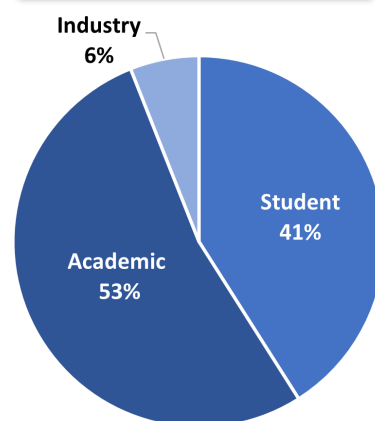

We welcome the opportunity to work with sponsors and exhibitors to create customized packages that align with your specific objectives and needs. In addition to the sponsorship levels outlined in this prospectus, we are open to exploring creative and flexible opportunities tailored to your organization. Whether you are interested in supporting a coffee break, providing branded lanyards, or suggesting another unique way to showcase your company, we are happy to discuss options that best reflect your goals and maximize visibility.
